N S E W (Circle One)

Will this sign be an electronic variable message sign: YES NO

NOTICE: The Arizona Court of Appeals recently ruled that the lighting of electronic variable message signs and similar devices on off-premise signs violates the prohibition against intermittent light or lights under the Arizona Highway Beautification Act. This permit does not authorize the use of the sign in a fashion that violates any state or local jurisdiction's laws or regulations.

The Federal Highway Administration is conducting a study of potential safety hazards posed by Electronic Variable Message Signs (EVMS). If it is determined that EVMS pose a risk to traffic safety, a permittee with the EVMS may be required, at their own expense, to modify or remove the electronic variable message capabilities of the sign allowed under this permit.

IF SIGN SITE IS OUTSIDE CITY LIMITS, PROVIDE INFORMATION FOR THE FOLLOWING SIX QUESTIONS:

1. What is the name of the nearest commercial/industrial activity on the same side of highway? _____
2. What is the direction to commercial/industrial activity? N S E W (Circle One)
3. Is commercial/industrial activity within 1000 feet of sign and on the same side of highway? YES NO
4. Is sign within 3000 feet of a traffic interchange where a commercial/industrial activity is located? YES NO
5. Is the site within 500 feet of the highway widening at the exit or entrance ramps of an interchange? YES NO
6. Is the site within 500 feet of the entrance or exit to a rest area? YES NO

By signing this application, I acknowledge that the information given and statements made in this application are true and correct to the best of my knowledge and that I have been given permission in writing, by the property owner. I understand that any false or misleading information on this application, or any violation of the Arizona Outdoor Advertising Regulations, R17-3-701 and R17-3-701.01, shall result in the revocation of this permit. I further understand that within thirty days from the date the sign is installed, the official-issued decal shall be affixed on a permanent surface near the portion of the sign structure closest to the main traveled way and clearly visible from the highway. I also understand that the permit will be void if the sign is not erected in 120 days from the date of the permit. (Signs bearing permit decals for signs other than the sign for which they were issued shall be in violation). This application is subject to the condition that permittee comply with local governmental regulations relating to Outdoor Advertising. Ref: ARS § 28-7914
