The Arizona Department of Transportation (ADOT) will conduct a pavement preservation project on a portion of Lake Mary Road between Stoneman Lake Road and Happy Jack Ranger Station (mile post 307.5 to mile post 310). **The work is scheduled to begin Monday, August 16.**

Construction will occur between 6:00 a.m. and 6:00 p.m. week days, as well as weekends. The work should be completed by Sunday, August 29, weather permitting. The project will include asphalt paving with a new friction course overlay, which will provide better traction and reduce traffic noise.

During roadway construction, motorists may experience lane restrictions, reduced speed and rough road conditions. Drivers are encouraged to expect delays and to use extra caution and obey posted speed limits through the construction zone.
